NILS RIBI ANNOUNCES CAMPAIGN WEBSITE

Sun Valley, Idaho, September 1, 2005 – Today Nils Ribi, candidate for Sun Valley City Council, announced the launch of his campaign website: www.NilsRibi.com

Ribi hopes to use the website as an example of how City government representatives can become more open, accessible and informed by facilitating another means of communication with its citizens.

Ribi explained the website is available to all voters, citizens and stakeholders interested in learning more about the candidate and the issues in this November's City Council election. He pointed out that the site is interactive, allowing voters to communicate directly with Ribi through a feedback form on the site.

The site also has links to important voter information, including voter registration and absentee ballot request forms.

In addition, he pointed out the site's usefulness to second homeowners as a way to stay connected to the issues even though they may not be able to vote in the local election. Through the website they can also find direct links to local media covering the election.

The website address is: www.NilsRibi.com
